

Alfatest

strumentazione scientifica

ALFATEST

Distribution of scientific instruments for

- Materials science and Biosciences
- Malvern since 35 years
- Leader brands
- Excellence – > 10 years experience specialists and service engineers
- AlfatestLAB: demo lab, trainings and seminars, service contract analysis

ONi

Where are we?

- Cinisello Balsamo (MI)
- Rome
- Sales agents
- > 2000 instruments installed
 - > 250 public institutes & Universities
 - > 750 private companies

Some customers

PHARMA

BIOSCIENCES

COSMETICS & CONSUMER PRODUCTS

NANOTECHNOLOGIES

INKS, PAINTS AND COATINGS

SPECIALTY CHEMICALS

CERAMICS

MINERALS, METALS

POLYMERS

FOOD & DRINKS

AUTOMOTIVE/ AEROSPACE

ELECTRONICS

ENERGY, OIL & GAS

FAILURE ANALYSIS

FIBERS, FILTERS, MEMBRANES

INNOVATIVE MATERIALS

APPLICATION TEAM

Experts in applications and technologies

- High scientific background
- > 10 years experience
- Multidisciplinary Team
- Every specialist is dedicated to specific techniques

Service Team

Maintenance, qualification (IQ/OQ), repair

- Service engineers
- Constantly trained by suppliers and Alfatest specialists
- Service contracts
- 2 service labs: Rome and Cinisello Balsamo (MI)

Support to Alfatest

- Demonstrations
- Application support
- Method development
- Training
- Seminars
